

NCWA VAP Grant Application

Please provide the information listed below (points 1 - 11) when applying for a grant from the Naples Council on World Affairs Village Assistance Program (NCWA VAP). The following criteria will be used to evaluate your application (note also that prior grants have ranged from three to five thousand US dollars with few exceptions):

- Demonstrates need
- Requests funding for a one time only project
- Demonstrates reliable funding channel
- Demonstrates capability for on-site monitoring
- Funds tangible item(s)
- Describes reporting procedure

Please note:

When selecting applications that meet the above criteria, NCWA VAP will give priority to educational projects, such as building schools and other learning facilities, as well as related projects.
